NEW NGK SPARK PLUGS NOW AVAILABLE

NGK Spark Plugs (UK) Limited, the UK's leading spark plug manufacturer, has announced that six new spark plugs are now available in stock to meet Aftermarket demand, all of which have been fitted as Original Equipment.

NGK's PFR6G-9 spark plug is now available for fitment to various Renault 2.0 Turbo models as is the PFR7G-9 designed specifically for the Renault Megane RS Turbo.

Two new high performance iridium spark plugs now available to the Aftermarket are NGK's IGR7A-G for Mitsubishi Lancer Evolution models and ILFR6A, fitted as OE to the Mercedes C200, CLK 200 and various other Mercedes models.

NGK's DCPR7E-N is fitted as OE to the 1.2 litre and 1.4 litre engines of the Fiat Stilo and the Fiat Punto from 2003 onwards. This spark plug is now available for Aftermarket requirements.

One further new spark plug - the PFR5B-11 is also now available for the Subaru Legacy 2.5.

The World's No.1 Spark Plug. Fact.
